Re: **MOUNTAINDROP U.S. Registration No. 7,768,767  
by BTI KI Trening d.o.o.**

Dear Peter:

We are pleased to enclose the original Certificate of Registration for the subject trademark which was registered by the United States Patent and Trademark Office on April 22, 2025, on the Principal Register.

The registration has a life of ten (10) years if the mark is still being used and the proper affidavit is filed in the United States Patent and Trademark Office between the fifth and sixth year after the registration date, in this case between April 22, 2030, and April 22, 2031. The filing of the affidavit will maintain the registration for the full ten (10) year period. If the affidavit is not filed, the registration will be cancelled immediately.

The symbol ®, that is R within a circle, or the words "Reg U.S. Pat. & Tm. Off" should be used adjacent to the mark when applied to the goods for which the mark is registered and are specified in the certificate. Failure to do this requires actual notice to be given an infringer to avoid loss of monetary damages.

The U.S. Trademark Office has stopped issuing paper certificates and instead makes a facsimile available as a PDF that we have attached. The QR code in the bottom right corner links to the certificate online at the Trademark Office website. Should a more official paper certificate be necessary for any reason, those can presently be ordered for a \$25 fee.

We will endeavor to notify you in due time, but because of the time involved for filing the affidavits and the payment of this fee we cannot take responsibility for such reminder and we would strongly suggest that you record these dates in a "tickler" file to ensure that the requirement is docketed.

Very truly yours,

  
Stephen J. Stark

Acting Director of the United States Patent and Trademark Office

## REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

### Requirements in the First Ten Years\*

#### What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

### Requirements in Successive Ten-Year Periods\*

#### What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

### Grace Period Filings\*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE:** Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

**NOTE:** A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
